Text Analysis Discussion: After completing this week's reading and activities, choose one of the series of questions below to address in your first 300-word discussion post.

For this post, you'll need to first close read "The Yellow Wallpaper" in [Perusall](), adding your 7 annotations. Next, you'll copy and paste the text of the "The Yellow Wallpaper" into [Voyant]().

Check out these [Voyant tutorials and resources]() to help you explore and begin to understand your Voyant visualizations.

What are the differences, similarities, strengths, and weaknesses of human reading and computer reading the text? What are the possible benefits from using a combined human/computer reading approach to this text? How do these methods shape the way we interpret the text and, more broadly, how these methods shape representations and knowledge related to narratives of female oppression in the Gilded Age? If you're interested, you might locate other texts written in this era and do a comparative analysis.
